

Manawit Game Tutorial

Instructions

Form a horizontal or vertical line of at least 3 orbs of the same colour. For each orb you have aligned this way, you will add it into your inventory. When you have collected 10 of the same orbs in your inventory, you will activate the orb element's effect!

Defeat your opponent and become the greatest wizard!

Victory Condition

1. Your opponent life reaches 0
2. You have more health than your opponent when the timer reaches 0

Controls

Start Game: G key

Player 1: W, A, S, D keys to move selector

Spacebar to select orb

Player 2: Up, Down, Left, Right arrow keys to move selector

L key to select orb

Note: If an orb is already in a formation of three or more, both players need to race to claim it. To claim it, simply solve the orb formation within itself.
